MURDER VICTIM IDENTIFIED AS FRISCO RESIDENT

FRISCO, TX – The victim in yesterday's shooting has been identified as 47-year-old Frisco resident Kenneth James Andrews. Frisco police officers responded to a call of shots fired just before 10 a.m. yesterday morning and found Andrews with apparent multiple gunshot wounds. Andrews was transported by the Frisco Fire Department to Centennial Medical Center in Frisco where he was later pronounced dead.

Detectives continue to actively investigate this case. The initial investigation has indicated that this is an isolated incident involving the victim and possibly his business dealings in cash-for-gold exchange. It does not appear to be a random act of violence.

The police department asks that anyone with information contact the Criminal Investigation Division at 972.292.6200. For additional information, please refer to Frisco Police Department CFS# 11-011919.
